95 años de continua evolución

95 ans de continue évolution

95 years in constant evolution

95 Jahre kontinuierlicher Evolution

En Estamp cumplimos 95 años. Casi un siglo en el que hemos fabricado y vendido millones de artículos en todo el mundo.
Nada de esto hubiera sido posible sin la inestimable cooperación de todos y cada uno de nuestros colaboradores, dentro y fuera de nuestra empresa. Tampoco sin la creatividad y el acierto de nuestros diseñadores y la colaboración de nuestros proveedores. Es por eso que hoy queremos agradecer a todos ellos que nos hayan acompañado durante este largo viaje, e invitarles a que sigan haciéndolo durante muchos más.

Chez Estamp, nous avons 95 ans. Presque un siècle dans lequel nous avons fabriqué et vendu millions d'articles dans le monde entier.
Rien de cela aurait était possible sans l'inestimable coopération de tous et chacun de nos collaborateurs, dans et hors de notre entreprise. Aussi sans la créativité et le succès de nos designers et avec la collaboration de nos fournisseurs. C'est pour cela qu'aujourd'hui nous voulons remercier à tous ceux qui nous ont accompagnés pendant ce long voyage et les inviter à continuer de le faire pendant beaucoup plus.

At Estamp we celebrate our 95th birthday. Nearly a century during which we have manufactured and sold millions of articles worlwide.
This would not have been possible without the valueless co-operation of each and every one of our teammates, inside and outside our company. Nor without the creativity and the success of our designers and the co-operation of our suppliers. So today we wish to thank them all for walking beside us during this long journey, and to invite them to go on doing so for may more years to come.

Bei Estamp feiern wir 95 jähriges Jubiläum. Fast ein Jahhundert, in dem wir Millionen Artikel hergestellt und weltweit verkauft haben.
All dies wäre nicht möglich gewesen ohne die unschätzbare Zusammenarbeit mit jedem einzelnen Mitarbeiter, innerhalb und außerhalb unseres Unternehmens, und überdies der Kreativität und dem Geschick unserer Designer sowie der Beteiligung unserer Lieferanten. Deshalb möchten wir uns heute bei allen bedanken, die uns auf dieser langen Reise begleitet haben und Sie einladen, dies noch für viele weitere Jahre zu tun.

Qualität und Perfektion

La calidad y perfección siempre han sido nuestra divisa y la clave de nuestro éxito, por eso la hemos hecho extensiva a todos nuestros ámbitos de actividad, tanto de producción como humanos.

La qualité et la perfection ont été toujours notre devise et la clé de notre succès, pour cela nous l'avons étendu à tous nos cadres d'activité tant en production comme humains.

Quality and perfection have always been our trademark and the key to our success. This is why we have extended them to all our areas of activity, as much in production as in human resources.

Qualität und Perfektion sind seit jeher unser Motto und der Schlüssel unseres Erfolges. Aus diesem Grund haben wir es auf alle Tätigkeitsbereiche ausgedehnt, sowohl in der Produktion als auch das Personal betreffend.

El medio ambiente: nuestro compromiso

L'environement : notre objetif

Environment is our aim

Umweltschutz: unser Ziel

En Estamp estamos plenamente comprometidos con la conservación del medio ambiente y es por eso que fuimos de las primeras empresas de nuestro sector en obtener la certificación ISO 14001 que nos acredita como fabricantes que utilizan procesos productivos no contaminantes y es también por eso que nos aseguramos que nuestros productos se fabriquen utilizando materiales que, como en el caso de la madera, permitan la sostenibilidad de los recursos naturales de nuestro planeta.

Chez Estamp, nous sommes pleinement engagés dans la préservation de l'environnement et pour cette raison, nous avons été l'une des premières entreprises de notre secteur à obtenir la certification ISO 14001 qui nous accrédite comme fabricants qui utilisent des processus de production non polluants. Nous veillons à ce que nos produits soient fabriqués en utilisant des matériaux qui, comme dans le cas du bois, permettent la durabilité des ressources naturelles de notre planète.

At Estamp we are fully committed to environmental sustainability and this is the reason why we were among the first companies in our sector to obtain the ISO 14001 certification that attests us as manufacturers using non-polluting production processes. This is also why we ensure that our products are manufactured using materials that, as in the case of wood, allow for the sustainability of our planet's natural resources.

Bei Estamp setzen wir uns voll und ganz für den Umweltschutz ein. Deshalb haben wir als eines der ersten Unternehmen unserer Branche die ISO 14001-Zertifizierung erhalten, die uns als Hersteller mit umweltfreundlichen Produktionsprozessen ausweist. Wir achten darauf, dass unsere Produkte aus Materialien wie beispielsweise Holz hergestellt werden, die Nachhaltigkeitsanforderungen erfüllen.
